The Family of TDLCW Murthal

It is our privilege to invite you to Tau Devi Lal Govt. College for Women, Murthal (Sonapat) to attend two days International Seminar to be organised by the college on "Women Empowerment: Taboos, Hurdles, Unconscious Bias & Inclusivity" sponsored by Directorate of Higher Education, Haryana. A plethora of academicians, practitioners, research scholars and students will be present to ruminate on the topic. We invite you to participate and contribute in the seminar to make it a success.

The seminar themes and submission guidelines are attached with this mail for your reference. We look forward for your valuable presence in the seminar.

Objectives:

Women empowerment aims at stimulating confidence in women by enabling them to see the skills that they contain which may be lying dormant within them. A thorough nurturing, polishing and sharpening of those skills can only be made possible through better education, awareness, perspective and a space to freely express oneself. It is essential to understand that gender shouldn't be an unreasonable determining factor curbing potential candidates from performing where and how they ought to. This shall not only prove advantageous to the women concerned but also to the society that should in no way be deprived of adequate development. Every individual requires living an independent life free of domination and subjugation. Everyone has a part to play - all the time, everywhere. From grassroots activism to worldwide action, we are entering an exciting period of history where the world expects balance. A gender balanced world can only be accomplished by empowering the women of the population. The main objectives of organising this seminar are:

- This event will provide a common platform to academicians and researchers of all fields to discuss the primary hurdles and taboos encountered in empowerment of women.
- This will enable new ideas and conceptions regarding the removal of hurdles such as unconscious biases, gender inequality.
- The seminar will provide varied perspectives on understanding the premise of women empowerment and how it could be researched and worked upon further.

It will help open up a dialogue on more relevant and viable ideas that can be further inculcated to work out ways to attain empowerment.

Sub- Topics:

The topics of the seminar would include but not restricted to:

- Menstrual Hygiene and Sanitation
- Crime against women and its impact on them.
- Role of gender biased laws; Domestic Violence Act.
- Objectification of women and its impact.
- The Menace of Female Foeticide in India.
- The role of education in removing gender inequality.
- Status of women in India.
- Discrimination and policies in India.
- Unconscious Bias and its role in hindering empowerment of women.
- Problem related to gender inequality for deprived half section of the society.
- Plans & Programs undertaken for the welfare of women in India.
- Victims of Rape and Criminological Implication.
- Understanding Inclusivity and its relevance in empowering women.
- Ways and means to empower women: Emotionally, Physically and Financially.
